

Many
Happy
Returns
of the Day.

As through the meadows flows the quiet stream,
While changing lights upon its bosom gleam ;
So may thy life flow through a world of love,
Lit by the perfect sunshine from above.

A painting of a river scene, likely the Thames near Goring. In the foreground, a man in a hat and jacket stands on the bank, looking down at some plants. To his right, a woman in a white top and dark skirt stands with her back to the viewer, looking towards the river. Further right, another person is seated on the bank. The river flows from the left towards the background, reflecting the light. In the distance, a small boat is visible on the water. The background is filled with dense trees and foliage, with a tall, thin tree trunk visible on the left. The overall atmosphere is peaceful and idyllic, with soft lighting suggesting a late afternoon or early morning scene.
